

Christmas WISH LIST

Toys for kids through Amazon

You can be the reason a child's eyes light up on Christmas morning. Our kids have made their wish lists and you can make their Christmas dreams come true by going to <https://a.co/jbDiLvj> or scanning the QR code and ordering gifts for our children.

Christmas Cookies Needed

This year we would like to send Christmas Cookies home with our clients. If you love to bake and have a special Christmas cookie you would like to share with our families - please bring 3-4 dozen of those Christmas cookies to our Concord Office 280 Concord Parkway, Suite 119 by 10AM on Monday December 8th. We will give them a container of cookies and love to take home for their families to enjoy. Contact Donna@gateprc.org for more information.
